ME!!

by Amy (Grade Four)

Hi! My name is Amy Shauna Alderton. I am nine years old and I am in Grade Four (Ms. Fegon's class). My favourite color is purple and blue and my birthday is the ninth of July. I have a brother. His name is Ethan. He is also at Kingsley. He likes it. (I like it, too.)

I am from the United Kingdom and Uganda. I came to Canada from Kenya. It was a whole day's flight (24 hours). Coming to Canada was different (mostly cold) But, ..., the biggest change is that I am not with my best friends. But the best thing is that I can see them in July. They are moving to New York in America. I look forward to making more friends at Kingsley.

FALL REGISTRATION DUE MARCH 1

Fall 2022 enrollment is already underway and tours have begun for next year. We offer an Early Bird discount on or before March 1. Details to follow.

Kingsley has a special program in place for current families. The Kingsley Student Referral Program has been created to encourage and incentivize Kingsley parents for their efforts in growing the Kingsley community through the recruitment of new students. For more information, please contact Mrs. Williams.

LEAKY FAUCETS

by Sam (Grade 5) and Jaxen (Grade 4)

"Drip. Drip. Did you hear that?"

"It was probably the sound of dripping water."

We are here to remind you to please turn off the taps in the bathroom when you're done washing your hands. If it's turning off, it's good, but if you have turned it all the way and it's not working, try the other knob.

Thank you for helping the sea animals!

FIRST ISSUE LAUNCHES TODAY

We are thrilled to present our school newspaper, the "Kingsley News," a re-vamp of our school newsletter that ran until 2015. Students and teachers will be contributing to our newspaper and parents are encouraged to read it at home with their children. Keep the calendar on the fridge to help you remember important school dates. Advertise your business or sell your used goods on our Kingsley Classified page. We will be adding more columns and pages in the coming months, so stay tuned. Please submit articles and artwork to Mrs. Enkin.

A Message from our Board of Directors

Dear Kingsley Families,

2022 is off to a great start at Kingsley, with students back in classrooms, and even a field trip to the local skating rink!

As we approach the start of enrollment for the 2022/2023 school year, we need your help. Today, online reviews carry significant weight with prospective families making decisions for their children's schooling. To keep Kingsley strong and thriving, we would like to invite you to leave a review on Google (click [here](#)), sharing what you love about our school.

Also, this year we want to hear from you. Stay tuned for a short survey that will help set the school's goals and strategic direction for the coming years, plus the opportunity to share ideas for upcoming fundraising events.

Wishing you all a safe and healthy start to the year.

Sincerely,

Aida Begovic, Erin Hansuld,
Natasha Brien, Sonya Lorusso,
and Saba Assayag,
